

D29 REGISTRATION – CHANGE OF THE URL

As you know, we have chosen the HELLOASSO platform for ticketing.

Every medal has a flip side, and the security of the platform has generated a new link following the legal validation of the name of our Club. There's no going back!

We are therefore obliged to send you a link other than the one that was communicated to you, and we deeply apologize for this inconvenience!

New contact information to consider:

<https://www.helloasso.com/associations/zonta-club-le-havre-cap-de-la-heve/evenements/zonta-district-conference-septembre-2023>

Alternatively, go through our association's public page using the address below, scroll down to the "Je participe" banner and click. You have direct access to the registration form.
